Key Organizational Value

Ethics

We at Sicorps Main Limited remain true to our founding values of **QUALITY, HONESTY and HARD WORK** instill right from the moment of our Establishment by the chairman, Engr. I .E. Shedrack.

We endeavor to adhere to the highest ethical standards in the industry. We have been accepted by the **Building, Construction and Electrical Industries** as a trust worthy business entity by being consistently associated with integrity, high standard and quality of service and personal attention to clients.

As a result of this reputation, **SICORPS MAIN LTD** has the honor and privilege of leading some of the highest profile projects in Africa, especially Nigeria.

Staff

We recognize that our primary asset is our people, and that a truly successful company needs to be a rewarding work environment for its staffs. Our organization is structured and managed to provide ample opportunities, training and encouragement for our team to reach their optimum potential

We believe that mutual respect forms the base of our success.

Phylosophy

Lasting relationships are the lifeblood of business in our industry. At all times, we strive for solutions that best achieve our clients needs and goals. Our staffs ability and commitment to finding these solutions is what distinguishes us.

We provide consistent personal and individual attention to all our clients

Core Work

Safety

Safety is the core responsibility of every employee.

At Sicorps Main Limited, we understand that accidents are preventable and prevented through cautious planning, appropriate training and cooperative efforts in all areas of our operations.

All our work is preformed in the safest possible manner.

The challenges and advancements faced by Building Construction and Electrical Industries are unique in terms of safety.

When methods and techniques are improved in a manner that consistently increases efficiency and productivity, the accident incidence for construction continues to be a concern, particularly as high-rise buildings are being constructed throughout Nigerian Major cities.

Effective preventive measures are therefore always identified and implemented at all our work sites.

Constant Improvement

Sicorps Main has a tradition of high performance, founded on a commitment to performing Building Construction and Electrification within budget and according to specifications. The company has established itself as one of the most highly regarded companies by continually improving the quality of its work products and opportunities that are available for our employees.

The desire and commitment to improve everything we do here is of most importance to Sicorps Main. This unwavering dedication towards progression is what broadens the focus of our business and allows our employees to thoroughly examine every aspect of their performance at Sicorps Main.

Through this process, we remain steadfast in our tradition to deliver superior performance, attention to safety issues, satisfaction to our clients and fulfilment to our employees.

Services

As a full-service construction company, SICORPS MAIN essentially assists clients from the very outset to the completion of their project. We become partners with our clients in understanding the five basic functions of:

- **Defining and establishing the scope of the construction project**
- **Pre-construction project planning including preparation and scheduling of the projects, phasing plans, budgeting/cost-modeling, subcontractor qualification etc.**
- **On-site execution of the project includes scheduling, quality control, safety management, subcontractor management, status reporting and change management.**
- **Monitoring and controlling the project**
- **Closing of the project related to the post construction activities.**

Project Delivery Method

Sicorps Main Limited builds a diverse range of projects for both government and private clients under a variety of project delivery methods including:

- **Lump Sum bid from completed drawings**
- **Construction Management**
- **Design-Build Development**
- **Pre-construction Services**

GENERAL WORKERS COMPENSATION POLICIES

EMPLOYMENT COMPENSATION POLICIES

Sicorps Main Nigeria Limited, provides a comprehensive workers compensation insurance program at no cost to the employees. This program covers any injury or illness sustained in the course of employment that requires medical, surgical, or hospital treatment. Subject to applicable legal requirements, workers compensation insurance provides income benefits after a short waiting period if employee is hospitalized, immediately.

Eligible employee classifications:

- Regular Full Time employees
- Regular Part Time employees

If an employee sustain a work related injury or illness, such must inform his or her immediate supervisor immediately. This will enable that employee to qualify for coverage as quickly as possible. Depending on the nature of the work related injury or illness and consistent with the Company's Drug Free workplace policy, an employee may be required to undergo drug testing. Neither the Company nor the insurance carrier will be liable for the payment of workers compensation benefits for injuries that occurred during any voluntary participation in any off-duty recreational, social, or athletic activity sponsored by Sicorps Main limited.

Sicorps Main actively manages all worker compensation claims to ensure that employees who are injured on the job are provided every benefit available under workers compensation insurance. At the same time, the company will endeavour to identify and soon as medically feasible require employees on workers compensation return to work under its "light duty" work program.

When worker return to work from work related illness or injury, the worker is required to provide his or her immediate supervisor with a written authorization from treating physician. The worker immediate supervisor will work with the worker to accommodates work modifications where feasible.

Sicorps Main Limited actively monitors workers compensation claims suspected of being fraudulent. Abuse of the workers compensation system that can have a severe economic impact on the company and in turn its employees. As such, it is a violation of company policy to file any false or fraudulent workers compensation claim. Doing so will result in disciplinary action, up to and including discharge. The company may enforce its legal rights against any employee that violates this policy.
